

Instruction for report of Project

This format is for chapter content only

Certificate, front page and acknowledgment will be sent to u

(Bring rough copy of chapters with formatting and show this copy to the guide before Saturday (10/10/2023))

- **Chapter Title:** Arial Rounded MT Bold (Upper Case), size 16 (e.g. **CHAPTER 1**)
- **Main Heading:** Calibri Bold, size 12 (e.g. 1.1 **Introduction**)
- **Sub Heading:** Calibri Bold, size 11 (e.g 1.1.1 **Dynamic Source Routing Protocol**)
- **Body text:** Calibri, size 11, Justified
- The chapters will be designated by Arabic numerical, CHAPTER 1, CHAPTER 2 ... etc. The sections of a chapter will be numbered using decimal type notations, e.g., 1.2
- **Margin:** Left 1.5", top 1", right 1" and bottom 1".
- **Line spacing:** 1.5 line spacing
- **Paragraph alignments:** Paragraphs – justified
- **Additional Spacing:** Paragraphs should have one empty space between them. A similar space should be inserted above and below headings to keep them clear of the main text.

- **Figure and Table captions:** Calibri, size 10, Centre aligned, *table caption **above** the table and figure caption **below** the figure*, Decimal type notations will be used for numbering the figures/photos, charts, tables and drawings in a chapter (e.g. **Figure 1.2, Table 2.2** etc.)
- **Header and footer as follows**

Footer: bottom right corner “page 1 of x”

Header: top right corner “chapter name” and do not add header in first page of every chapter

Font size -12, Calibri for header and footer
